Word has spread from the HeadBeak that our clubs worldwide have done an exemplary job Partying with a purpose. Although this be me easiest to read yarn, methinks it be important for ye all to recognize the great collective work we do. And to let ye know I be vastly proud to navigate our course at the helm with all of you standing beside me! Enjoy the read Me hearties.

State of the Phlock - 2009

Welcome to 2009 and our annual "State of the Phlock" report.

In the annals of PHiP history, 2008 will be recorded as an ordinary year around the "ParrotHead Nation" ... if one considers it ordinary to make a substantial difference in our communities, in the environment and in the lives of our fellow man as we most assuredly left this place a little better than we found it. Along the way, we managed to have a lot of fun, we cavorted with old friends, we made new friends and, sadly, we bid farewell to far too many beloved friends.

In what has become the norm, the "ParrotHead Nation" continued to grow and prosper as we added a total of sixteen new chapters to our ranks. What began with the Atlanta Parrot Head Club 20 years ago has grown exponentially as we ended 2008 with an all-time high of 237 chapters in the United States, Canada and Australia ... 3 different countries, 47 states, 3 Canadian provinces and one U.S. Territory. Our total membership showed an increase with more than 26,000 dedicated, fun-loving Parrot Heads amongst the ranks. Again, it's apparent that the "ParrotHead Nation" is not only alive and well, but continues to thrive.

Now, for the big news ... Even in the face of an economic downturn, Parrot Head Clubs collectively raised for and/or donated approximately \$3.1 million to charitable organizations in 2008. Equally significant, Parrot Heads carried on the tradition of volunteerism as 2008 saw chapters worldwide donate an estimated 175,000 man-hours to philanthropic and environmental activities. The upshot In the period 2002 thru 2008, Parrot Head Clubs have collectively contributed more than \$16.4 million and more than 2.3 million man-hours to aid our communities, our environment and our fellow man!

The PHiP commitment to education was bolstered on two fronts as we were recognized by the Jimmy Buffett's alma mater, the University of Southern Mississippi, for our continued and generous endowment of the Mary Loraine "Peets" Buffett Memorial Scholarship awarded annually by the USM Alumni Association. And, after years on the drawing board, PHiP announced the establishment of the Parrot Head Scholarship to be awarded annually, commencing in the fall of 2009.

In 2008, PHiP retained its National Status with both the American Cancer Society's Relay For Life campaign and the Alzheimer's Association's Memory Walk program and Parrot Heads continue to be the single largest supporter of the Zonta Club of Key West with contributions made during Meeting of the Minds.

For many of our chapters, Special Olympics is a favored cause while many Clubs prepare & serve a monthly meal to their local Ronald McDonald Houses. And, there's more to the story! These numbers, while spectacular, do not include those efforts which are not measured by dollars or man-hours and Parrot Heads never cease to amaze in their creativity:

Parrot Heads Collect Things ... canned goods, pet supplies, clothing, pop tops, old cell phones, used ink cartridges, and, of course, toys; all distributed to the appropriate agencies that get the goods to where they do the most good. OH, and let's not forget the trash ... Virtually every Club works diligently to keep our nation's beaches, lakes, and highways clean with regular trash collection sessions.

Parrot Heads Compete ... Many chapters sponsor Bowling tournaments, Volleyball tournaments, Golf tournaments and even a Cornhole tournament. Chili cook-offs are also a favorite fundraiser for a number of Clubs.

Parrot Heads March ... Most all Parrot Head Clubs build and enter a float in their local community parades, be it Christmas, Easter, Independence Day, St. Patrick's Day ... You name it; if there's a local parade, Parrot Heads will be prancing and no less than two dozen chapters won awards in 2008 for Best of Show, Best Float, etc.

From Poker Runs & Pub Crawls to the dreaded Polar Plunge, the picture is clear ... the good deeds that Parrot Heads perform for the benefit of the community, the environment and our fellow man often cannot be measured in quantitative terms, yet are so vital to the recipients and should be a constant source of satisfaction to each of us.

So, to each and every one of you, a heartfelt THANK YOU for a job well done! You truly are:

"Angels In Tropical Shirts"

and you should be very proud of yourselves and your accomplishments.

Spring is here, summer is nigh and the concert season is upon us ... Time to do what we do best: Have fun and "Party With A Purpose!"

Till next time, may all your dreams be tropical!

Drinks on the Hardestys!!! I hear a few Parrotheads made it down to the Kentucky Derby again this year....when asked how they did, I received this reply: I wasn't at the Derby but I am hearing that the Hardesty's put \$20 on the long shot winner and made quite a score. Maybe Mike, Julie or Bob Noonan can confirm. Tim C
 Anybody see the **Hardestys** sporting a large wad of cash lately hmm?

Another Keet on the way!!!!

George and Glorianne Bork are expecting a keet! Congratulations!!!!

Happy Anniversary!!

The Boylans celebrated their fourth anniversary on April 23 by car shopping. Dan's car which had been dying a slow death finally gave out on the expressway as he was trying to rush home from work to get to PIP. After trying to cram all the decorations and stuff from PIP in my car they realized the need for something bigger and bought a new Chevy Equinox just in time for Tailgating! Dan even had the thing to wear for the occasion, in the basket they won at PIP there was a Chevy Hawaiian shirt with classic cars and the Chevy logo all over it. The best part of the car is having XM radio with Radio Margaritaville. Now all it needs is a Happy Shark.

Billy and Kristin are celebrating their 3rd anniversary on Memorial Day weekend. And one of the best things about meeting Bill was inheriting a huge phlock of Parrothead phriends! Thanks for being so good to me.....

Party in ParrotDise Notes

Rumor has it that our own "**Nude Bob**" had a personal best in the ass-tattoo portion of the day....Bob presented his famous frat tattoo a whopping three times before I could even get one drink at the bar! And we still managed to get new members!! Maybe he should change his name to Bob "Moon"an!!

Off The Market! That's right, ladies...our own grill master, Kurt, has a new grill mistress!! (Ok..that sounds worse than I meant it...you guys know what I mean....) When asked how they met, Kurt replied this way.....

It was February 3rd and I got a My Space Request from someone Named Ocean Eyes. I'm like HmmmmmmmmmSo I looked over her page and started talking to her...We talked via My space E-mail. Then a few days later we talked on Yahoo IM. And on March 29th at 1:00 pm we met at Popeye's in Lake Geneva, WI and we have been a couple ever since...We make each other laugh and smile. Bridgette likes my jokes....And she has been a great part of my life.... **Good for you Kurt!!**

Movin' on up....Chicago Parrotheads, we certainly miss all of the friends! We are now settled in Stuart, Florida after living in a suburb of Buffalo for a combined total of 13 years. It seems like we are on a permanent vacation, we are just not used to it yet. Contact us if you are down are way. My new email is: womantoblame2@gmail.com. We went to the Tampa Concert and ran into former Chicago Parrothead Laura Powers. We spent the day with her. Laura sends her regards to the club members. The concert was excellent, those going to the concert are in for a real treat. Have a GREAT SUMMER. Mary Jo Compton

Fun was had at Phins to the West.....

Ron and Sharon Danko, Pat Eberhardt, and John and Jean Motal headed out west for yet another fun filled weekend at the Avi in Laughlin. The Motal's started their part of the trip leaving right after Party in ParrotDise for Phoenix Arizona, did the Route 66 trip, Stopped at Margaritaville in Glendale, AZ. We were treated like celebrities. spent time with family and friends in Arizona and California, even found where we want to move to once we sell our home. Visited the Ronald Regan Library, toured the Air Force One and John took Jean on a tour of where he lived as a teenager with his parents. Then met up with the rest of the group for fun with

fellow Parrot Heads. If you ever have a chance to attend Phins to the West, do so, it is a weekend filled with fun friendly people, music all weekend, at the pool we were entertained by Mike Miller of the Boat Drunks, Matt Wahl, Latitude, The Stinson Brothers, and more. In the evening we were lucky enough to have the entire Boat Drunk Band.

Saturday was dress like a pirate night, and the feature band was Stars on the Water. Sunday was a laid back day at the pool with the "songwriters fest". Life cannot get any better than this. Monday, Pat flew home, Danko's headed to California to meet up with friends, and Motal's started their trip back home. Thank you to everyone that donated items to our club's basket for Phins to the West, due to the fact the donations were so great, I made up two baskets, the two baskets brought a total of \$150.00 to the event.

From the Social Chair—Karen Boylan Karen@chicagoparrotheads.com

Aloha everyone, finally some parrothead friendly weather is upon us. Time to get out doors and celebrate.

This month we will take to the outdoors to Kick Off the Month—and we will do so on the **First Sunday of the Month June 7th**. *South of Disorder* a great Buffett band will be playing at Summer In The Center at the Carol Stream Town Center (at Lies Road and Gary Avenue.). They will take to the main stage at 4:00. Following them are American English, a Beatles tribute band at 6:00 and at 8:15 ARRA is playing a variety of classic rock. There is a family stage, and carnival so make it a day and bring the keets out. WE will be gathering near the main stage at about 3:30.

Note: It seems the interest in Kick Off the Month is dwindling we rarely have more than one or two people show. For the summer we are going to put this event on hiatus to allow room in our calendar for even more fun.

Don't forget that our club has regular monthly happy hours known as *One Particular Thursday*, at Cheeseburger in Paradise Downers Grove. *Frank Whiting of Local Favorite* takes to the stage at apx. 7:00 to do an acoustic set of primarily Buffett tunes. All of Frank's tips that night go to charity. OPT's are set for the **second Thursday of the month** but may change due to conflict with Cheeseburgers or Frank's schedule. The next OPT is set for **Thursday June 11**.

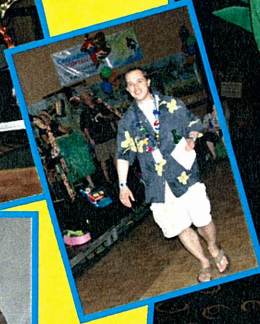

GHOST TOUR RESCHEDULED — The *Devil In The White City* ghost tour had many people interested that had date conflicts, so it has been rescheduled for Sunday June 14. Let me know if you would like to go. Space is currently almost filled but if we get 35 people interested we will be able to move to a bigger bus. The particulars are Sunday June 14 departing from the Brookfield train station at 1:00 p.m. and returning at apx. 5:30. Lunch included in the price at Schaller's Pump. Cost is \$53 per person.

Are you missing the Keys? And Meeting of the Minds seems so far away? Well *Blarney Island* on the Chain of Lakes is having **Key West Fest** weekend **June 20 and June 21**. With some of Duval Street's famous names taking their stage. *Howard Livingston and the MileMarker 24* Band (the most famous band in the Conch Republic) will play from 2:00 to 7:00pm. each day. On Saturday they will be followed by *Jared Michael Hobgood*, the headliner from Irish Kevin's performing at 7:00 followed by *Matt Avery*—a hair rocker, former Star Search winner and #1 Key West entertainer at 9:00. You need to get to the island by boat but no problem a Ferry leaves on the hour from Port of Blarney.

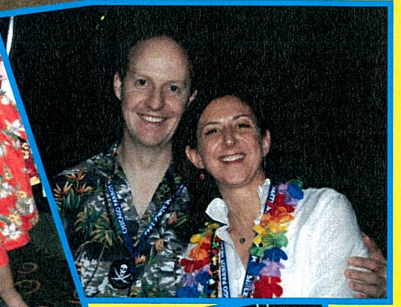

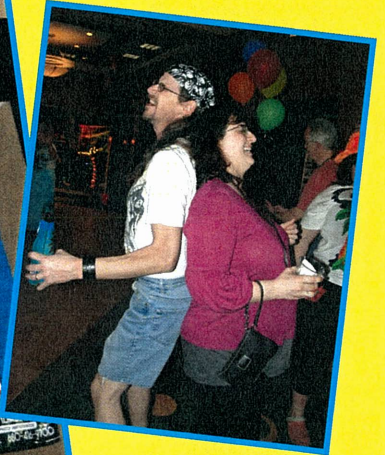

For Next month mark your calendars for July 19th—for the Tinley Park Caribbean Festival .

Take Us Out to The Ballgame

The Chicago White Sox will be having their Beach Bash night on Saturday July 18. Prior to the 3:05 game there will be tropical music at the gates including Mr. Myers, beach towels will be given away to the first 10,000 fans in the park, and other tropical activities that day. We can purchase discounted tickets to the game if a group wants to go. However nobody from crew is available that day. Rather than pass on a day of fun for the ParrotHead Sox Phans... we thought we would see if anyone would like to volunteer to run the outing for the club. Contact me if you are interested in running the event.

CHARITY NEWS FROM TODD MCPENCOW

The Pirate Hood Page

ser'in' me rum t' take from the rich an' help the needy

Party in Parrot-dise Results

Party in Parrot-Dise 2009 is over. BUT prior to our visitors charting their way home and hoisting their sails, we—as good Pirates—boarded their ships, plied them with rum and made off with their gold—to the tune of \$6364.23 with more money coming in every day. Of course being the Pirate Hood, I have taken that money and donated it to those in need—in this case to the Alzheimer's Association. \$2500 went to the association as a bronze level sponsor (a flag we which we have raised for many a year) and the rest will be donated to our Memory Walk team shortly after this newsletter arrives in your hands via the mail call. What's that I hear, you want to sign up for our Memory Walk team or donate some more pieces of 8 to it? Well I happen to have the website at which you can do that right here: <http://memorywalk.kintera.org/chicago2009/chicagoparrotheads>

Looks like to me that you club members proved that this event is bigger than any one man, wench or even captain. Despite advance scouts saying that we would take many cannonballs to our broadside, each of you made this event a success. While I need to thank many parrotheads none more so than QuaterMasters Peggy Farrell and Jen Perkins without whom the raffle prizes would have been delivered in a row boat rather than Schooner on which they arrived. Not only did Peggy and Jen spend countless hours gathering prizes, organizing them into baskets and storing the prizes but they spent the entire evening in the back of the ship watching over the prizes and selling tickets. And of course a HUGE THANK-YOU to each of you who donated prizes or asked for and received prizes from others. It was great to see new members such as Michelle Korinko step up and help. Michelle went from saying at our first planning meeting that she wasn't sure if she would be able to get prizes for the event to being the club member who brought in the most prizes for the raffle. Thanks Michelle and welcome to the club!!!

Wherever I laid my eyes during the night, I thought I was in a tropical paradise rather than land-locked Downers Grove, IL. For that we have Teresa Carter to thank. Teresa headed the decorating committee and did a wonderful job of conservatively obtaining decorations and grabbing some sailors to help her set them up. Micky O'connor took care of tracking our ticket sales and making the lists of those allowed to enter the party. So many others donated their time, their efforts, their money and even their brain power (thankfully as we couldn't get by on mine): Cheryl and Don Wegner, Dee and Bill Troop, Carol and Terry Leigh, The Grill Master, Nude Noonan, Paul Perkins, Jim Farrell, Julie Hardesty, Ron Horne, Glorianne Bork everyone that took down decorations (and saved them for us to use next year). There are so many others too that helped in ways small and large. While I might get some of the recognition, it's really all of these people and many more that made the weekend the success that it was and that it will be in years to come!!!! Thank-you all!!!!!! Next year you can help too as the date of Party in Parrot-Dise 2010 is April 17th, 2010. Make your plans now to volunteer your time as well as partake in the fun.

A HUGE thank-you goes out to Nancy and Terry Shaffer (please forgive this uneducated pirate if I misspelled your name). Nancy won our atrium 50/50 raffle and used the plundering to purchase raffle tickets (out which a parrot told me they won nothing). Terry won the ballroom 50/50 and donated the entire proceeds back to the club to give to the Alzheimer's Association. WOW!!!! And again WOW!!!!!!!

Of course this event could not have been as successful with the support of both the club members and our monetary sponsors: Toyota Park (www.toyotapark.com), Barabary Beach and Midwest Bamboo. And our pilfering would have been at lot less had it not been for the huge financial breaks that both Todd Donnelly of Mr. Myers (www.mrmyers.com) and Local Favorite Band (www.localfavoriteband.com) gave to us while still delivering that musical version of a tropical paradise. Please go see these bands whenever you can.

CANDY DAYS

What started out somewhat auspiciously, turned out to be a great event thanks to ChiChi. I do apologize for not being at the event as my plan was to be there in the morning for set up and then in the evening to drink some rum. Alas, my captain from work ordered my ship to sail for the tropical port of Urbana, IL early that morning with a return by starlight (well OK GPS since it was storming by the time I left for my return trip). I have not heard the final numbers from Misericordia but understand that as usual the Chicago Parrotheads were able to rob I mean solicit much money from motorists for this worthy cause and of course down some tropical drinks afterwards.

MEMBERS' CAUSES

Fellow Parrothead Kathy Knoch invites all of us to Hanover Park on June 6th at 7pm. She will be at the Prairie Station Pub (1951 Ontarioville Rd) for a fundraiser for the Susan G Koman Breast Cancer 3 Day Walk. For \$20, you will be able to enjoy live entertainment, appetizers, raffles, games and a cash bar. The entire \$20 goes to the 3 Day Walk. Last June, Kathy was diagnosed with breast cancer. She had a mastectomy in August and has been undergoing chemo-therapy since October. She's been a member for three years and now that she's feeling the best that she has in months plans on coming out to more club functions this Summer. Let's show our support for Kathy and help fight the fight to end cancer once and for all.

Speaking of fighting cancer, The Pirate Hood will be hosting a fundraiser for the American Cancer Society in June in Bolingbrook in honor of his mother-in-law who was diagnosed with cancer for the third time earlier this year. Help him battle this terrible disease so that his son will have both grandmothers around for many years. Email him for more details.

On May 31st join Ron and Lynn Horne at the 5th Annual Stride to Save Lives a 2 mile walk for brain tumor research at Montrose Harbor. Several years ago Lynn had successful surgery to remove a brain tumor and would like to save others from the turmoil, pain and suffering. For more information visit <http://cinnfoundation.org/fndevents.html>.
